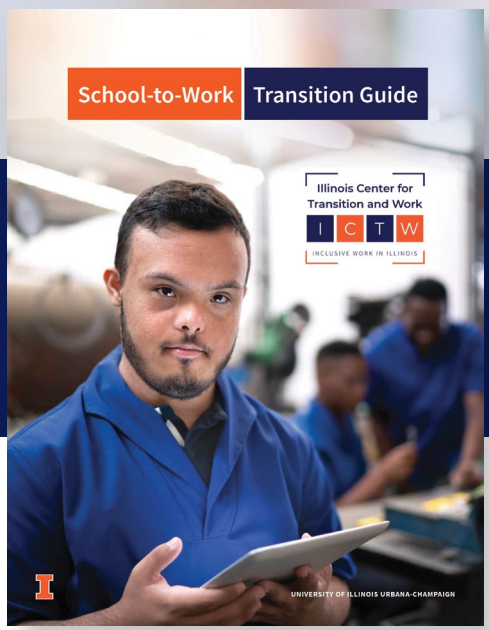
Newly Updated: School-to-Work Transition Guide

A comprehensive guide to school-to-work transition for Illinois



The result of a statewide, collaborative study group, this definitive guide combines the expertise of special educators, vocational rehabilitation counselors, ICTW personnel, and administrators from ISBE and IDHS/DRS.

The guide clarifies aspects of school-to-work (STW) transition for all parties involved, with info specific to Illinois including:

- **Key individuals, and their roles and responsibilities**
- **Important steps and stages in the STW transition process**
- **Key terms and definitions for the STW transition process**
- **Legal aspects of the STW transition process**
- **Helpful guidelines and resources for the STW transition process**

New Features:

- **Transition Planning Committee guidelines**
- **Fillable versions of Student & Parent Transition Surveys**

This user-friendly guide is designed to be a key resource for students, parents, educators, rehabilitation counselors, and other adult service providers throughout Illinois.
